* Courses can be taken before the program begins.

** Students must meet with their Advisor to select the appropriate General Education courses from the approved list for the AAS/GOTS.

Students enrolled in the Pharmacy Technology Program are required to achieve a minimum grade of "C" in each PHA course. All pre-requisites must be achieved with a grade of "C" or greater.

Healthcare Provider CPR Certificate must be obtained prior to enrolling in the first PHA course and certification must be kept current throughout the Program.

COURSE SUBSTITUTIONS

- ^ BIO 137 and BIO 139 may be substitute for BIO 130 for Diploma or Certificate only
- ^ BIO 135 may be substituted for BIO 130 for Diploma or Certificate only
- ^ EFM 100 may be substitute for WPP 200
- ^ BA 120 may be substituted for EFM 100
- ^ BA 250 may be substitute for WPP 200

Digital Literacy must be demonstrated either by a competency exam (IC3 Fast Track Exam) or by completing the requirement for digital literacy. Documentation of completion must be met prior to entering in the first EMS class.

Curriculum in the KCTCS system is constantly being reviewed and updated to ensure quality and relevance. This check sheet should be used only as a guide for meeting the course requirements for each credential. See your advisor to confirm course requirements.
