** Tuition listed is for in-state tuition. For out-of-state tuition rates please visit <https://ashland.kctcs.edu/affording-college/tuition-costs/index.aspx>

- Students are required to submit immunization records and TB skin test results. The cost of obtaining these records varies depending on the agency used.
- After completion of the program, students must apply to a state board of nursing in order to sit for the NCLEX-PN national licensing exam. The cost of the application process to each state will vary. The NCLEX-PN exam is approximately \$200 in addition to the cost of the state's application fees.
- Estimated cost range total is \$10,846-\$12,616 (plus fees for immunization documents/TB skin testing and state licensing fees/exam).
- Application for financial aid and student loans to help cover program expenses is available in the ACTC Financial Aid Office.
